

# CONTENTS

- 63 Oleksandr Moroz, Olha Kuz, Nadiya Yavorska**  
The summary of the II international scientific SYMPOSIUM  
“Sustainable development – state and prospects” (SDEV’2020)
- 65 Beata Kowalska**  
The life path and scientific activity  
of professor Dariusz Kowalski
- 69 Viktor Vasiychuk, Yaroslav Kuchera,  
Olena Matskiv, Oleh Nahurskyy, Stepan Kachan**  
Problem of disposal of organochlorine waste  
of vinyl chloride production
- 76 Margaryta Radomska, Svitlana Madzhd,  
Larysa Cherniak, Oleksandr Mikhyeyev**  
Environmental pollution in the airport impact  
area—case study of the Boryspil international airport
- 83 Ihor Petrushka, Kateryna Petrushka,  
Bohdanna Bliatnyk**  
Improvement of adsorption processes  
of wastewater treatment from nickel ions
- 88 Mykhailo Katkov, Myroslav Malovanyy,  
Iryna Kotsiuba, Tetyana Senchuk, Maryna Lavinda**  
Determination of significant factors  
of landslide processes and flooding
- 95 Serhiy Synelnikov, Myroslav Malovanyy,  
Oleh Nahurskyy, Liubov Luchyt, Kateryna Petrushka,  
Ivan Tymchuk, Oleh Stokaliuko**  
Theoretical and practical aspects of the efficiency of application  
of mineral fertilizers encapsulated with polyethylene terephthalate
- 102 Olga Khudoyarova, Olga Gordienko, Tetiana Sydoruk,  
Taras Titov, Roman Petruk, Serhii Prokopchuk**  
Adsorptive desulfurization of industrial wastewater
- 107 Marianna Havryshko, Olena Popovych, Halyna Yaremko**  
Ecological problems of enterprises of alcohol industry
- 113 Vira Sabadash, Yaroslav Gumnitsky, Oksana Liuta**  
Investigation of the process of ammonium  
ion adsorption by natural and synthetic sorbents  
by methods of multidimensional cluster analysis

***The 6th INTERNATIONAL CONGRESS***  
**SUSTAINABLE DEVELOPMENT: ENVIRONMENTAL PROTECTION.  
ENERGY SAVING. SUSTAINABLE ENVIRONMENTAL MANAGEMENT**  
**23–25<sup>th</sup> September 2020 p.**  
**Lviv – 2020**

.....  
***Dear Colleagues!***

*We invite You to participate in The 6<sup>th</sup> international congress «Sustainable Development: Environmental Protection. Energy Saving. Sustainable Environmental Management», under which the following seminars will work:*

- **Seminar 1.** Environmental aspects, biodiversity preservation, monitoring, audit, system analysis and risk assessment
- **Seminar 2.** Renewable and nontraditional energy sources
- **Seminar 3.** Innovation nature protection technologies. Technologies for efficiency increase from using materials, water and energy. Eco-innovation in architecture
- **Seminar 4.** Education and rearing for sustainable development
- **Seminar 5.** Economic-management support for construction, implementation and commercializing of eco-innovations in the system of sustainable development.
- **Seminar 6.** Development of environmental tourism in sustainable development aspect
- **Seminar 7.** Civil safety in aspect of sustainable development

*To participation at the congress all registered members are invited, who submitted abstracts, application form and paid organization fee. Congress member can be author of not more than 3 abstracts in congress proceedings and one article in congress materials.*

**IMPORTANT DATES**

Registration, abstract and article submission to congress material and scanned copy of organization fee payment – **before 15.08.2020**

## INFORMATION FOR THE PARTICIPANTS

Registration of congress members will be held in Assembly hall of the main building of the University  
(Stepana Bandery Str., 12)

- Beginning of identification                   **23.09.2020 at 8-30**
- Congress opening                               **23.09.2020 at 10-00**

During identification members will receive congress information materials and referral to living in hotel (at booking in advance).

You can go to Lviv Polytechnic National University from:

- Railway station – **tram № 1**, “Polytechnic University” stop;
- Airport – **trolleybus № 9**, “Stepana Bandery” stop.

.....

Before the beginning of the congress it is planned to publish congress abstracts that will be given to members of personal participation form at the registration and sent to distant participants after ending of the congress. It will also be possible to publish an article in the Journal of Ecological Engineering (SCOPUS, Web of Science) or Environmental Problems (Index Copernicus), depending on the recommendation of the reviewers.

.....

### **Organisation fee**

Organisation fee for one congress member is **60 USD**, that includes:

- receiving information materials (for personal participation) and sending congress proceedings (for distant participation);
- publishing congress material in congress proceedings;
- organization expenses of the committee.

Organisation fee does not include living in Lviv city, food costs, excursion costs, participation in friendly supper, publishing particle in congress materials, that is planned to be registered in scientific metric database SCOPUS.
